---

For manufacturers, producers and importers of batteries and accumulators, as defined in the Management of Batteries and Accumulators Regulations 2008.

The undersigned hereby registers as a producer and/or importer of batteries and accumulators in The Netherlands, as defined in the Management of Batteries and Accumulators Regulations 2008, with the intention to participate in the management plan of Stichting Batterijen, Stichting EPAC and/or Stichting Autobatterij Recycling (ARN).

The undersigned also subscribes as user of the portal myBatbase NL and agrees on the sending of a participant number and password to the mentioned contact person. This authentication method can be regarded as an electronic signature as referred to in Article 3:15(a), paragraph one, of the Civil Code and thus the contact person is authorized to perform legal acts on behalf of the undersigned.

After agreement with the terms of the management plan(s), the undersigned concerned automatically meets all statutory collection and recycling obligations for batteries and accumulators in the Netherlands.
